3 Neighbourhood Centres of Bellingen Shire Combine Under a New Name

Following the official amalgamation of Bellingen and Urunga Neighbourhood Centres in 2019, the recent addition of Dorrigo Neighbourhood Centre to the group has resulted in a new combined name along with a colourful new logo identity.

Whilst the same official title remains as Neighbourhood Centres of Bellingen Shire Inc. the new Connecting operating name allows for an opportunity to unite behind the suite of essential services the centres provide as vital support for the local community.

Morning Tea at the Centre

To help launch the new Connecting identity, a Morning Tea at the Bellingen Neighbourhood Centre, has been scheduled for the morning of Friday 18 February 2022, from 10:00am to 12 noon.

As part of the celebrations, there will be free refreshments available, giveaways, speeches about future directions, and an opportunity to gather information about the various services available.

This will also be an opportunity to meet and greet the newly-appointed Neighbourhood Centres General Manager, along with the Management Committee, the staff and volunteers who help run the 3 centres.

See you there!
