

Skills 4 Life

Socialise with other teens while learning new skills.

Northcott's 'Skills 4 Life' service is a skill-development program for teenagers with disability aged 14-17 years. Through a diverse range of fun and educational activities, participants learn how to express their opinions, make decisions and respect others, while building their confidence and self-esteem.

Each term we listen to our customers and we take on feedback to develop a service that is fresh and engaging to meet our customer needs.
