### About Blue Sky Community Services

Blue Sky Community Services is a not-for-profit values-based community organisation. Our vision is to support people to thrive and to create communities where everyone belongs. Since 1975 we have been working in partnership with people and communities to achieve positive outcomes. We deliver a range of services that assist the people and communities we work with to thrive.

Our work environment is supportive and flexible, and our culture is positive and values based. We have organisational values that are lived workplace practices. At Blue Sky Community Services, we value optimism and innovation, integrity and respect, inclusion and diversity, connection and kindness.

We offer salary packaging, and invest in our staff's continuous learning and professional development journey.

We believe that the make-up of our workplace should reflect the diversity of the communities we work within. We therefore strongly encourage people from diverse backgrounds and cultures, and people who have lived experience of disability, to apply to work with us.

You can find out more about us, and our work, on our website at [www.bluesky.org.au](http://www.bluesky.org.au) and by visiting our Facebook page.

## About the Aged Care Assessment Service

Blue Sky Community Services is delivering the Aged Care Single Assessment Service in partnership with My Aged Care and Community Options Australia.

Aged Care Assessors:

- provide person-centred, comprehensive, timely and high-quality assessments that empower participants to access Commonwealth-funded aged care services to achieve outcomes across a broad range of key areas
- engage in wellness and reablement-focused supports to ensure that participants are able to live as independently as possible in their homes
- provide short-term linking services to people who may need additional supports to source and engage supports related to their care needs
- build the capacity of the community to understand the Aged Care system and associated services.

## Positional Criteria

Aged Care Assessors require:

- tertiary qualifications in a health-related discipline directly related to health, aged care or a related specialist area, e.g. registered nurse, medical officer, occupational therapist, social worker
- a willingness to travel to conduct face-to-face assessments, and a fully insured and registered vehicle available for business purposes, including Roadside Assistance
- current unrestricted registration with Australian Health Practitioners Regulation Agency (AHPRA) or membership of (or eligibility for) a relevant professional association
- evidence of current vaccination against COVID19 and influenza
- the ability to strongly and consistently align behaviours, attitudes and conduct with the organisation's values, culture and code of conduct
- a very good working knowledge of the Aged Care system and its services, the Aged Care Assessment process and associated assessment tools
- a passion for the provision of exceptional customer service
- the ability to quickly learn, master, and proficiently use, information and communication technology tools and systems, including the Microsoft suite of products, client management systems and databases
- the capability, and willingness, to promote the Aged Care Assessment process, its goals, activities, processes and functions correctly and confidently.

## How to Apply

To apply for this position, applicants must:

- complete the application form (downloadable from our website); applications that are received without a completed application form will not be considered

- email the completed application form and a current resume to:

## Our Recruitment Process

### Stage One: Application Assessment Stage

- All applications are assessed against the criteria.
- Applications that are not complete, or that do not satisfactorily address the criteria will not be considered for interview.
- Shortlisted applicants will be asked to proceed to the interview stage of the recruitment process.
- Applicants who are not selected to progress to the interview stage will be advised by email.

### Stage Two: Interview Stage

- Applicants who are selected to progress to the interview stage will be contacted to arrange an interview date, time and location.
- At the interview, applicants will be asked questions to determine whether they are able to perform to a high standard within the role and to determine whether they are a good fit for the position, the organisation and our values.

### Stage Three: Further Information Gathering Stage

- Following the interview applicants may be asked to complete online psychometric testing, to further determine suitability for the position.
- Following the interview, the organisation may contact the applicant's referees to further determine suitability for the position.
- Applicants may also be requested to attend a second interview.

### Stage Four: Employment Stage

- Successful applicants will be contacted by the organisation to discuss employment possibilities.
- Unsuccessful applicants will be advised via email.
- Unfortunately, due to the volume of people who apply for our positions and want to work with us, we are unable to provide individual feedback to applicants.
