

ENDOMETRIOSIS & PELVIC PAIN EDUCATION DAY

8TH MARCH 2025 9:00-15:30 COFFS HARBOUR RACECOURSE

**Endometriosis and Pelvic Pain Education Day:
8th March 9:00-15:30 at Coffs Harbour Racecourse**

The Coffs Harbour Women's Health Centre is hosting an education event on Endometriosis and Pelvic Pain on the 8th of March 2025. The event is designed to increase awareness and understanding about Endometriosis and Pelvic Pain. This marks the second year the CHWHC is organising this annual event, with a fantastic program and speakers, differing from the previous year's lineup.

- Learn more about endometriosis and other pelvic pain conditions
- Hear from experts in the field
- Meet our health professionals who are part of the EPP clinic
- Connect with others with similar stories and experiences
